June 2018

2018 TOURNAMENT CONCLUDES!

Our 36th Annual Championship Tournament, held at Freeway Lanes in Warren, has concluded, and we are pleased to report our entries were up this year! Our Optional Actual division did receive the same number of entries as last year, so as long as we're staying steady or seeing an increase, we consider that a bonus for the Club and Tournament.

Wow, did we have a high-scoring tournament! With 55 games over 200 and nine games over 250, we had Mandy Wilson of Gr. Dayton shooting back-to-back 278 games; and we had a 299 and 300 game, with an actual 800 series - all shot by Nikki Stiteler of Summit Co. To top it all off, the 4-game actual score record last set in 2000, now also belongs to Nikki Stiteler with her 4-game actual 1049 series. Nikki also has the highest 4-game with handicap record, with her 1097. Great shooting ladies!

The tournament staff and bowlers were treated exceptionally well by the staff and management of Freeway Lanes - with special mention to Roger Bower (manager) and Pam Dunn and her local ladies and gents for all their assistance!

We were also pleased to welcome 14 new members to our Club this season! Congratulations, ladies, on bowling your scratch 700 series and we welcome you!

Join us, bowl with us and bring a friend! Any female who has bowled a scratch 700 series in a certified league or tournament is eligible to join, provided they are members of the Ohio State USBC.

Complete information and membership applications are available on our website: OH700Club.com. Information is also being posted to our Facebook page, so be sure to 'like us' to receive real-time updates.

As always, your Ohio Women's 700 Club Board of Directors are striving to meet the challenges of today's world by offering new items to participate in, while bowling in our tournament. We continue to offer Bowling Bingo to our tournament entrants, and for the second year in a row, we think it was well received (judging by the number of entrants and the positive comments we heard). Seven of our bowlers took a share of the Bowling Bingo prize fund. We continue to offer our Frame Game (which also seems to be a very well received addition), Brackets and Jackpots, as well as our Split the Pot Raffle.

We offer a free tournament entry for next year to a randomly drawn entrant as the recipient of our Barb McKinney Memorial Award (2018's Award goes to Rebecca Hays of Van Wert), and we offer a free tournament entry for next year to the entrant who bowls the highest 4-game series (2018's recipient is Nikki Stiteler of Summit Co.). We also offer a cash prize to a randomly drawn entrant who is wearing their membership pin at time of drawing - congratulations to Vicki Musser of Portsmouth, who was wearing her pin and won \$45.00! The award resets next year back to \$5.00.

If you have any comments or suggestions for the Club, please don't hesitate to contact any board member - share your ideas! We listen to all comments & suggestions. We may not always be able to implement them, but we do hear you!

The Club was founded to perpetuate the names of those female Ohio USBC WBA members who have bowled a three (3) game scratch series of 700 or more in certified league or tournament play, and to conduct an annual tournament for our members.
